FUND	RECEIPT/EXPENDITURE	FUNCTION	OBJECT
01 General	1 Receipt	1000 All Instruction	100 Salaries

1000 ALL INSTRUCTION Activities dealing directly with the teaching of pupils, or the interaction between teacher and pupils, including the activities of aides or assistants of any type that directly assist in the instructional process. Expenditures for instructional materials are included here.

1100 REGULAR INSTRUCTIONAL PROGRAMS These programs funded through the General Fund that are designed primarily to prepare pupils for activities as citizens, family members, and workers.

1110 REGULAR INSTRUCTIONAL PROGRAMS - SCHOOL AGE (EX-SPENDING) Expenditures for instructional materials for children who are not identified or verified as having a disability but who demonstrate a need for specially designed assistance to benefit from the school's general education curriculum including educational services provided pursuant to 379-2-03(b)(2).

1120 LIMITED ENGLISH PROFICIENCY PROGRAMS Expenditures for a Limited English Proficiency Program should specifically address issues related to the education of students with limited English proficiency that do not replace expenditures that would have occurred if the students involved in the program did not have limited English proficiency, and that are not paid for with federal funds. Limited English Proficiency Programs must address (a) Identification of students with limited English proficiency; (b) Instructional approaches; (c) Assessment of students' progress toward mastering the English language; (d) An evaluation to determine the effectiveness of the Limited English Proficiency program; and (e) Any other programs that are directly attributable to the education of students from families where the English language is not the primary language. Include only those activities that are beyond the general instructional costs. Do not include the expenditure of federal funds in this category.

1130 POVERTY PROGRAMS Expenditures for a Poverty Program should include expenditures that specifically address issues related to the education of students living in poverty that do not replace expenditures that would have occurred if the students involved in the program did not live in poverty and that are not paid for with federal funds. Poverty Programs must address the following: (a) Attendance, including absence follow up and transportation for students qualifying for free or reduced price lunches who receive more than one ride from the attendance center; (b) Student mobility, including transportation to allow a student to complete attendance at the same school; (c) Student moves to another attendance area within the school district or within the state.

OBJECT - identifies the service or commodity obtained as the result of a specific expenditure.

However, the Annual Financial Report mainly constitutes objects to these seven major categories:

100 SALARIES Amounts paid to employees of the school district who are considered permanent or temporary employees, including personnel substituting for those employees.

101 SUPERINTENDENT SALARY Salary paid to the school district superintendent.

110 REGULAR SALARIES Full-time, part-time, and pro-rated portions of the costs for work performed by employees of the school district who are considered to be in positions of a permanent nature. Includes teachers, principals, associate or deputy superintendents and other administrative positions of support.

120 SUBSTITUTE OR TEMPORARY SALARIES Full-time, part-time, and pro-rated portions of the costs for work performed by employees of the school district who are hired on a temporary or substitute basis to perform work in positions of either temporary or permanent nature.

130 STIPENDS Payment to district staff for additional approved duties beyond normal contract. (e.g. Payments to attend professional activities.)

140 OTHER STAFF SALARIES Salaries paid to support staff and other clerical staff, paraprofessional staff, transportation staff, custodial staff, kitchen staff and other staff not expended in other object codes.

150 TECHNICAL STAFF SALARIES Salaries paid to technical support personnel, including network administrators and school resource technology personnel.

160 CLASSROOM MANAGEMENT SALARIES Salaries paid to personnel whose responsibilities include supervising the activities of the attendance center or school and its staff but who are not considered as principals.

200 EMPLOYEE BENEFITS Amounts paid by the school district in behalf of employees. These amounts are not included in the gross salary, but are over and above. Such payments are fringe benefit payments, and, while not paid directly to employees, nevertheless are part of the cost of salaries and benefits.

210 SOCIAL SECURITY The school district's share of FICA and Medicaid.

220 RETIREMENT All expenditures by the school district to the School Employees' Retirement Fund as required by statute.

IN THE MIDDLE of all that you have to issue pay checks

Not quite that simple

- Hourly staff works as a bus driver and custodian at different rates and it all equals 45 hours/week = Blended Overtime
- Teacher has a baby, gets married, gets divorced.
- Teacher covers for another and gets paid for it.

tclausen/bookkeeper101/presentation/final 2016

- Teacher covers for another and gets paid for it.

Considerations:

- ? Is teacher in the retirement plan
- ? Do I count the hours/salary towards retirement

tclausen/bookkeeper101/presentation/final 2016

- Teacher has a baby, gets married, gets divorced.

✓ Add/Remove from Health Insurance

1. What are the deadlines?
2. How do you add/remove?

✓ Cobra requirements

1. When does coverage end?
2. What type of coverage do they currently have?

✓ Retirement/Life Insurance

1. Do they want to change beneficiary?
2. Changing name?

tclausen/bookkeeper101/presentation/final 2016

Once everyone has been paid you have reporting to do

Monthly Reports

[Retirement](#)

Due the 10th of the month-accurate and on time.

[EFTPS](#)

Usually due 3 days after payroll-IRS does not play around with deadlines.

[State Taxes](#)

Do it when you do your EFTPS

Balance on a monthly basis – Don't wait until W2 time!

General Ledger

If you don't understand how a General Ledger works

- ❖ you need to find a support person
- ❖ take a class at the local community college
- ❖ talk to your business teacher
- ❖ You need to know what happens when you make an entry and how it effects other accounts

Reconcile your bank statement to your General Ledger

tclausen/bookkeeper101/presentation/final 2016

Accounts Payable

- Be organized
- Match your invoices to purchase orders
- Don't wait until the last minute
- Follow Board Policy

tclausen/bookkeeper101/presentation/final 2016

Board Policy

Read through them

Be especially aware of payroll policies

Make sure you are doing it like the policy says
 - if not change what you are doing
 - or see if it can be changed

tclausen/bookkeeper101/presentation/final 2016

GMS – Grants Management System

- Code things correctly the first time so that you don't have to make journal entries.

Accuracy = Vital
 Documentation = Necessary

Vital + Necessary = **Seamless Reimbursements**

tclausen/bookkeeper101/presentation/final 2016

Budget

This should be an administrative function but in reality it may become yours

Utilize the state as support

You need good, accurate information no matter if you are doing the budget or just providing the facts

It needs to match your Audit!!!!

tclausen/bookkeeper101/presentation/final 2016

Records Retention

Organization!!!!!!!!!!

Filing system – Electronic vs. paper

AP – monthly vs. vendor

HR – W4/I9/Pay documentation/Benefit election

Just because it has been “done this way” for 20 years does not mean it is **efficient**.

Forms – footers showing where stored/filename/date

☐ Many brands

☐ Ask for help and use their support

Networking is vital

☐ Within your organization

☐ Within your conference

☐ Within the state

☐ With others who use your software
